

Neha Thomas

neha.thomas.iot@gmail.com | +91 97462 81350 | Kochi, Kerala

PROFESSIONAL SUMMARY

B.Tech CSE graduate with 7 months of IoT internship experience. Uses C, Arduino and JavaScript primarily, with Python used for device-data processing and small scripts.

EDUCATION

B.Tech, Computer Science — CUSAT, Kochi | 2021–2025 | CGPA 8.5/10

TECHNICAL SKILLS

Skills	Python, C, JavaScript
Skills	Arduino, Raspberry Pi
Skills	MQTT basics
Skills	SQLite, SQL
Skills	Git, HTML, CSS

EXPERIENCE

IoT Intern | SmartEdge Labs, Kochi | Jan 2026 – Jul 2026

Collected sensor readings, wrote Python scripts for Raspberry Pi data processing and assisted with device testing.

PROJECTS

Room Monitor | Python, Raspberry Pi, SQLite

Recorded temperature and humidity readings and stored them in SQLite.

CERTIFICATIONS

- IoT Fundamentals — 2025
- Python Basics — 2025

ACHIEVEMENTS

- Demonstrated IoT project at campus technology fair
